This training equips participants with practical, relationship-based strategies to understand and manage diverse behaviors in grieving children.

Participants will learn how to apply techniques for compassionate support, creating a safe environment, encouraging emotional expression, and implementing tailored behavior management that is grief-informed. The training will also emphasize self-care for adults supporting these children.

## OBJECTIVES

Following this training, participants will be able to:

1. **Identify** key behavioral manifestations of grief in children across different developmental stages.
2. **Apply** relationship-based strategies and communication techniques to support grieving children and encourage emotional expression.
3. **Develop** effective, compassionate behavior management approaches tailored for grieving children, including the importance of adult self-care.

AMA PRA Category 1 Credit TM

Allegheny General Hospital is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Allegheny General Hospital designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credits TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity

CE for Psychologists
